

## Jack Canfield Program: THE SUCCESS PRINCIPLES

### Who is JACK CANFIELD?

**Jack Canfield** is the originator of the **Chicken Soup for the Soul®** series and is affectionately known as “America’s #1 Success Coach”. He has been named Motivator of the Year by the *Business Digest* twice, received the Speaker of the Year Award from the Society of Success and Leadership and received the National Leadership Award and the Champion’s Award from the National Association of Self-Esteem.

He is also the author of “*The Success Principles: How to get from where you are to where you want to be*” which shows the new standard in self-improvement and contains 67 powerful principles for success utilized by top achievers from all walks of life and all areas of commerce.

### What is Canfield’s Program on “The Success Principles”?

Strategies of Success is centered on Jack Canfield’s **The Success Principles** and **The Law of Attraction**, how to help get you from **where you are to where you want to be**, faster than you ever thought possible. Drawing on decades of study, practice and experience, Jack weaves easy-to-understand principles, powerful transformational exercises, compassionate coaching and eye-opening doses of inspiration and motivation throughout his signature programs. This **highly experiential format** literally **transforms you** at your core being. This program is open to all those who would like to achieve their dream, regardless of age, profession or circumstances. It doesn’t matter what your goals are – the principles and strategies are the same, but they must be applied!

Jack has trained and mentored a team of trainers in the Success Principles to provide you the personal support, objectivity and constructive feedback that you need to achieve success. From this program, you can learn to apply powerful strategies from Jack’s Success Principles book to:

- Discover and define your Life Purpose statement
- Understand the power of the goal achievement process
- Learn how to ask for needed resources
- Learn to implement the keys of effective planning
- Tap into the liberating power of delegation
- Develop key habits for continuing success
- Establish a compelling vision of success in seven key areas of life
- Begin taking action to get measurable results
- Change your thinking by creating powerful personal affirmations
- Develop and refine your personal time management system

This program is not just for individuals but for organizations wanting to achieve their corporate objectives.

You walk out the door a **happier, more confident, more focused person** with the commitment to be an **unstoppable success**.
