

STRATEGIES OF SUCCESS

Based on Jack Canfield's Success Principles
HOW TO GET FROM WHERE YOU ARE TO WHERE YOU WANT TO BE!

The Success Principles is a set of principles that have been tried and tested by many successful people. The principles are presented in a simple manner that you can apply daily and it will teach you to increase your confidence, tackle daily challenges, live with passion and purpose, and realize all your ambitions.

Who should attend?

This program is suitable to a wide range of professionals but will greatly benefit:

- Young professionals who are starting in their career
- First line managers who lead teams towards a common goal
- Employees who are new in goal setting – even setting personal goals aside from your yearly performance goals
- All those who want to become successful in their lives

Learning Objectives

This unique fun-filled learning experience aims to:

- Get crystal clear on your true passions and purpose in life.
- Be clear with your goals in all aspects of your life.
- Overcome the obstacles that have been holding you back from achieving your goals.
- Create a step-by-step plan to accomplish your biggest goals – and dramatically improve all areas of your life.

Key Benefits from Attending this Learning Session

In this session, **ORGANIZATIONS** will be able to:

- Help employees become more productive by understanding themselves and what limits them from performing beyond what they currently do.
- Produce more goal oriented employees.
- Employees will know how to achieve their corporate goals.

In this session, **INDIVIDUALS** will be able to:

- Uncover the limiting beliefs that they have had in their lives.
- Identify their goals which includes goals for career, personal, financial and other aspects of their lives.
- Discover the success principles that will help them propel their lives to the next level.
- Experience practice daily habits that will lead them to the achievement of their goals.

Testimonial

"The principles presented were practical, attainable, easy to understand and applicable to everyone.

Taking this leap challenges our consistency along the way and determination as we attain our end goals or success – whatever we mean by success."

~ **Ceanne Ruth M. Caluya**, Registered Psychometrician | HRD Assistant, Philippine Bible Society

Jack Canfield is the originator of the **Chicken Soup for the Soul®** series and is affectionately known as **"America's #1 Success Coach"**.

He also developed the **POWERFUL PRINCIPLES FOR SUCCESS** to be discussed and which are utilized by top achievers from all walks of life and all areas of commerce.

Ms. Penny Bongato, FPM, MBA, is the **FIRST JACK CANFIELD CERTIFIED TRAINER** in the Philippines and the first in Asia.

A seasoned HR practitioner, particularly in the Information Technology and Business Process Management (IT-BPM) industry, she has been instrumental in the set-up of several contact centers in the country. She is the Press Relations Officer of the Career Development Association of the Philippines (CDAP), the Former Executive Director for Talent Development of the Information Technology and Business Process Association of the Philippines (IBPAP), and the Former Director for People Management Association of the Philippines (PMAP).

She has ventured into an advocacy of sharing her experiences through teaching and is not a part-time faculty of the Human resources Management Program of De La Salle College of St. Benilde.

Penny has traveled to several countries including Indonesia, Singapore, India, Colombia, South Africa, the Netherlands to speak on the IT-BPM growth in the Philippines and on thought leadership topics in Human Resources.
