There are many challenges to starting a business in the Philippines. This talk **focuses on the capacity building interventions** IdeaSpace, has done in its 8 years of experience. **Founder-focused approaches in helping people start a business will be shared. Results of recent studies** conducted by IdeaSpace and partner organizations **will be covered in the talk.**

Webinar Objective

It is our intention to encourage persons to think through their plans on beginning the journey of starting a tech or tech-enabled business in the Philippines, the benefits for taking on this journey on themselves and what it means for the Philippine economy.

About the Speaker

DIANE DUGAN - EUSTAQUIO

EXECUTIVE DIRECTOR OF IDEASPACE FOUNDATION, INC.

Diane is the Executive Director of IdeaSpace Foundation, an accelerator for tech startups. IdeaSpace is a non-profit supported by the MVP group of companies since 2012. She assumed the role of Executive Director when First Pacific launched IdeaSpace in 2012 and has had a hand in each of the 91 startups that have entered the IdeaSpace program.
